

# Spotlight on Seasonings Glogster

After selecting an herb or spice discussed in class, you will prepare a Glogster representing your selected herb/spice. All of the questions listed below must be included in some way on your poster. Use the provided Glogster tutorial to complete the project.

Questions to Answer:

- Where does the herb/spice come from?
- In what forms is this herb/spice most commonly used (whole, ground, dried, fresh, etc.)?
- How is the flavor of this herb/spice described
- What does this herb/spice look like in its original form?
- In what cultures, cuisines, or geographical areas is this herb/spice most commonly found?
- What are the most common uses for this herb/spice?
- What are some recipe examples that use this herb/spice?
- How much does this herb/spice typically cost? (If it is an herb, include dried and fresh prices, if available)
